Pitt Med Professionalism Accolade

CONGRATULATIONS!

Ryan Lakits, CRNA
Certified Registered Nurse Anesthetist
Department of Anesthesiology & Perioperative Medicine

Ryan was super accommodating to the medical students and took time to coach us on intubating and ventilating before the start of the surgeries. This was great extra exposure to anesthesiology and perioperative medicine during our surgery rotation. He was great to work with and learn from, and I was always glad to see him in the OR!
