JESSICA SCIUVA, MD

PGYl Resident
Department of Obstetrics, Gynecology, & Reproductive Science
General Obstetrics & Gynecology Program (MWH)

"Jess was an amazing intern on my OBGYN rotation! She always went out of her way to include the medical students in patient care and procedures even when she was having a busy day. She spent her free time checking in on us, updating us on our patients, and doing some teaching. She was a huge advocate for the medical students and a very warm and welcoming presence on the team."
