PITT MED PROFESSIONALISM ACCOLADE

SARAH YOUSEF, MD, MS

Fellow
Department of Cardiothoracic Surgery
General Thoracic Surgery Integrated Program (PUH)

"During my time on my surgery rotation, Dr. Yousef was extraordinary surgeon, clinician, and teacher. Throughout the clerkship, she always made sure that I was not just an observer but an active participant. She pushed for opportunities that allowed me to get hands-on practice, allowing me to have unforgettable experiences. She also helped me get accustomed got my role, spent time explaining preoperative care, and even invited me to team events outside of the hospital.

Her ability to balance the demands of a busy surgical service with a genuine investment in medical student education is truly remarkable. Dr. Yousef's admirable support for students demonstrates attributes that make her an exceptional leader who will surely continue to do great things."
