Pitt Med Professionalism Accolade

CONGRATULATIONS!

Sowmya Narayanan, MD, PhD

PGY3 Resident
Department of Surgery
Division of General Surgery

Dr. Narayanan went above and beyond as a mentor and preceptor throughout the entirety of my Trauma/ACS rotation. She consistently included me in all aspects of patient care, gave feedback that was individualized and useful, and made the extra effort to teach all students on the rotation about specific topics related to the surgery shelf exam. Often times, this meant that she stayed late after the conclusion of OR cases to take us to the cafeteria and provide comprehensive yet understandable instruction about topics that we originally found difficult to understand. I felt so welcomed as a part of the team during my time with Dr. Narayanan, and she undoubtedly shaped my decision to enter the field of surgery.
