Pitt Med Professionalism Accolade

CONGRATULATIONS!

Kristina “Kia” Nicholson, MD, MSc
PGY4 Resident
Department of Surgery
Division of General Surgery

Dr. Kia Nicholson's mentorship during my Trauma/ACS rotation was truly outstanding. She made sure that I was engaged in all facets of patient care and delivered tailored, practical feedback. Dr. Nicholson went out of her way to provide extra instruction to all students, especially on difficult surgery shelf exam topics. Often, she would stay well after her clinical responsibilities had been completed to meet with us and offer thorough explanations on difficult topics. Her welcoming demeanor made me feel like a valued team member, and her guidance was instrumental in my choice to pursue a career in surgery.
