Pitt Med Professionalism Accolade

CONGRATULATIONS!

Ryan Zeh, MD

PGY2 Resident
Department of Surgery
Division of General Surgery

Dr. Ryan Zeh was my supervising resident on my transplant surgery acting internship, and was an exceptional preceptor throughout the month-long rotation. He made me feel like a valued member of the team and encouraged me to continue taking on increasing amounts of level-appropriate responsibility, which resulted in a significant growth of my abilities and confidence as a result of his mentorship. Dr. Zeh's supportive and inclusive approach, combined with his dedication to teaching, made the entire rotation enjoyable and pivotal in my decision to pursue a career in surgery.
