PITT MED PROFESSIONALISM ACCOLADE

MARISSA TREMOGLIE-BARKOWSKI

MS4 Student

"Marissa was an incredibly supportive presence on my IM rotation. She was an incredible role model for me to learn from when it comes to patient interaction and clinical presentations, and was always accessible and willing to share her knowledge. As someone who is just starting out on my clinical rotations, I greatly appreciated her openness and advice even while handling the demands of an acting intern's workload."
