PITT MED PROFESSIONALISM ACCOLADES

Cultivating a Positive Learning Environment

CATALINA FEISTRITZER

MS4 Student

"Catalina was an A-I while I was on inpatient peds. She was invaluable as a mentor and a new friend who helped me navigate the clerkship all the while working the same patient as load as the interns! By the end of the month it was clear that the team saw her basically as a resident rather than just an M4!"
