

# Pitt Med Professionalism Accolade

## CONGRATULATIONS!

**Rohit Aita**

**MS1 Student**

I want to recognize Rohit's quiet and consistent leadership throughout the Fall 2023 semester. Throughout our fall coursework and especially during the Physical Examination section, when some of students' enthusiasm began to wane, Rohit remained a steady role model, someone who always came prepared to class, was consistently engaged, and demonstrated a degree of focus and professionalism that inspired his classmates.
